When you arrive - Stop by our Check-in table and pick up your nametag.

NC Agents and Adjusters ONLY – We can file CE credits for NC agents and adjusters only. If your license is issued by another state please do not take our classes.

Not sure what classes you signed up for? - Your schedule is located on the back of your nametag OR login to our site www.pianc.net and then click on My Account and then click on Purchases. Please note: **All CE Students should diligently be aware of the CE classes they have taken in the past to prevent the repetition of classes during the same compliance period which would result in loss of CE Credit for any duplicated classes within the same compliance period.**

To reserve your room you must call hotel directly at the number below and tell them that you are with the PIANC Conference!

Location: The Village Inn Event Center **FREE Parking**
6205 Ramada Drive
Clemmons, NC 27012

Classroom attendance procedure – this year we will again use Track Attend 360 to track registration and class check-in and check-out. Using our smart phones we will scan your nametag's QR code with our smart phones as you attend your classes. **Please unclip your nametag from your lanyard and place it on the table in front of you for scanning.** Track Attend 360 will eliminate the need for paper classroom check-in sheets, allow us to deliver your certificates of completion via email and streamline the filing of your CE credits.

PIANC supports NC non-profits - please bring along a \$20 bill (no check or credits card) to support NC Vest A Dog Program and the Special Operations Warrior Foundation.
